March 2011

ConEXPO 2011

Mountain Crane Service employees enjoyed the opportunity to meet with vendors and customers at the ConEXPO in Las Vegas. They had the opportunity to meet new industry contacts and rub shoulders with other US crane companies.

In addition to attending the events hosted by various crane manufacturers, Mountain Crane Service hosted a dinner for its employees on Thursday night at Andre's Restaurant inside the Monte Carlo hotel and casino.

Awards

Lon Stam and Riley Allen were recently recognized for their achievements by the Operating Engineers Local Union 3. In conjunction with the apprentice graduation, Riley Allen was awarded Apprentice of the Year. Riley has been with Mountain Crane Service for 2 years and has quickly advanced through the equipment apprentice program. He has obtained his CCO license and is a highly qualified operator.

Lon Stam was recognized among his peers as Supervisor of the Year. Lon has been a member of Local 3 for over 30 years. He has been in a supervisory position for almost 20 years, starting with his role as Operations Manager at ACME Crane in 1993. He has since worked as an independent crane broker and now as General Manager/Owner of Mountain Crane Service.

Lon Stam's 60th Birthday

Lon Stam celebrated his 60th birthday earlier this month. Family, friends, and employees planned a surprise party behind his back. Until he arrived, Lon thought he was attending a quarterly safety meeting.

We had an excellent turnout at the party, held at Noah's Event Center in South Jordan. Lon blew out his cupcakes surrounded by over 60 people.

Lon is one of four owners of Mountain Crane Service. He directly supervises the sales team and operations team. He has been involved in crane rental for over 38 years. If you wish to send a belated birthday message, Lon's e-mail is lon@mountaincrane.com.

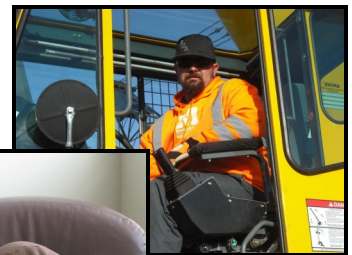

Employee Spotlight

Tyson Allen has been with Mountain Crane Service from the beginning. He is an extremely talented and capable crane operator who has mentored many of his co-workers throughout the years. He currently works as a **Crawler Crane Technician**, scheduling the transport and assembly of all Mountain Crane crawler cranes. He also supervises critical lifts.

In 2010 Tyson was recognized as one of 16 operators nationwide to receive the SC&RA Crane Operator Safety award.

Tyson is a proud University of Utah fan and the father of two little boys.

Jazz Ticket Winners

Congratulations to **Josh LaFleur** of Stacy & Witbeck and **Steve Lamb** of United Team Mechanical for winning this month's Jazz ticket drawing.

Don't forget to enter this month's drawing for a \$50 Cabela's gift card.

Utah's Largest Crane Fleet

Load charts for each of our cranes are available online at www.mountaincrane.com/fleet.

Mountain Crane Service provides a variety of services across the Intermountain West including plant shutdowns, steel, pre-cast panels, heating and cooling units, transformers, pools and hot tubs, demolition, windmills, and bridge girders, to name a few.

Heavy Haul service is also available.

Mountain Crane Service employees receive continual training through Operating Engineers Local 3 and have their CCO Certification.

Check out our website at www.mountaincrane.com for more information.

Project Photos

Mountain Crane is happy to feature any of your company's current or previous projects involving crane work. Whether it is photos or project information, we would be more than willing to include it in our monthly newsletters.

We would like to thank customers who have previously submitted photos. We appreciate your business and look forward to any opportunity to showcase our valued customers.

Feel free to e-mail photos and project information to info@mountaincrane.com.
