# WINNER BEST OF STATE

## UTAH 2011

Mountain Crane Service has been awarded Utah's Best of State for Commercial Building Subcontractor a second time. We were first presented with this award in 2009 and are pleased to be recognized for our efforts once again.

For those of you who may be unfamiliar with this particular award, the Best of State medallion is awarded for excellence in three categories: Achievement in Field of Endeavor, Innovation, and Contribution to Quality of Life in Utah.

The award was presented to the owners of Mountain Crane at a formal banquet held on June 4.

We would like to take this opportunity to thank each of our customers for their ongoing support of Mountain Crane..

## Elko Mining Expo

Mountain Crane Service will be displaying a crane at outdoor **Booth Numbers 411 & 415** during the Elko Mining Expo this week. Make sure to come see us for some treats and handouts. We hope to see many of you there.

Mountain Crane Service is Browz certified and would be happy to meet with any of you regarding upcoming projects in Nevada or other mining regions.

## Vendor List

Mountain Crane Service knows that summer can be a very busy time in the construction industry. We like to do all that we can to help projects go smoothly.

In our efforts to provide excellent customer service, we would like the opportunity to become a **pre-qualified vendor** with your company. In doing so, much of the required paperwork will be submitted *ahead of time*, reducing any possible delays if equipment is called up on short notice.

Mountain Crane Service has an excellent project history and safety record. We have added many new pieces of equipment to our fleet in the past 2-3 years.

Please send pre-qualification information to Marie Neff at [marie@mountaincrane.com](mailto:marie@mountaincrane.com). This information can be a link to your company's registration site, contact information for someone else in your company, or a packet of required submittals. We look forward to working with you.

## Photo Contest

Mountain Crane Service is sponsoring a photo contest through **June 30**. We encourage customers and employees to send in pictures of our cranes on your projects.

There will be 3 winners chosen who will each win a **\$100 VISA card**. The winners will be announced in the following July newsletter. We invite as many as are interested to participate and look forward to your entries.

We want to thank all of you who have submitted entries. Each project has been unique and we are excited to showcase these customers and photos in later editions of our newsletter.

### Guidelines:

Please do not send cell phone images

We prefer photos without a date stamp in bottom corner

Both current and previous jobs will be considered

You are welcome to submit multiple entries (No Limit)

Submit photos to [info@mountaincrane.com](mailto:info@mountaincrane.com)

*By submitting photos, you agree to let Mountain Crane use these images in future marketing materials*
